

RUNNING HORSE® PRIME

The serious Equine athlete requires high-quality nutrition. Whether you rope, cut, jump, rein or run barrels, you need to be certain you've done all you can to maximize your horses' potential and natural athleticism. With extruded protein, this formula is more digestible than standard pelleted diets. RUNNING HORSE® Prime meets and exceeds those needs with a quality vegetable fat, highly digestible ingredients, and soluble fibers, rather than fermentable carbohydrates such as molasses.

- Fixed Formula
- Organic trace mineral package
- Advanced extrusion method promotes digestibility
- All natural prebiotic Amaferm® for improved gut health
