

## RUNNING HORSE® SENIOR

With special care and diet, older horses can remain our companions for many years. Our senior feed is formulated with a special eye towards consumption and digestibility while maintaining your mature horse's condition. Full of high-quality protein, rich vegetable fat and easily absorbed micro-nutrients, RUNNING HORSE® Senior is an ideal choice for the long term.

- Fixed Formula
- Extrusion process creates a soft and palatable texture for aging senior horses with poor or no teeth
- Promotes digestibility through advanced extrusion process
- All natural prebiotic Amaferm® for improved gut health
