

VITA CHARGE® STRESS TUB MOS

SIZES AVAILABLE

Product #20510
50 lb. tub

Product #20512
200 lb. tub

A cooked tub for beef cattle that supports digestive health and promotes feed and water intake during times of stress and recovery. Conveniently allows beef cattle to get their daily dose of Vita Charge® without additional handling.

AMAFERM® ADVANTAGE

Amaferm® is a natural prebiotic designed to maximize the nutritional value of feed. It is research-proven to combat stress by supporting the animal's own immune system, significantly increasing intake and nutrient utilization.

FEEDING DIRECTIONS

- Feed to beef cattle using the following guidelines:
- 1. Consumption should be approximately 0.25-.50 lb. per head, per day.
 - 2. Provide one 50 lb. tub for every 5-15 head.
 - 3. Provide plenty of good quality forage at all times.
 - 4. Free-choice salt should be provided.
 - 5. Provide a fresh, clean water supply at all times.
 - 6. Consumption can vary with weather and feed conditions.
 - 7. If over-consumed, move block farther from water or loafing area.
- The above feeding directions are guidelines. Use good management practices adapted to varying conditions.
