## GELS

### Vita Charge® Gel

A gel for all species of livestock that supports digestive health and promotes feed and water intake during times of stress and recovery. *Comes in 80 mL and 300 mL.*

### Vita Charge® Climate Control Gel

A gel for all species of livestock formulated to help overcome the challenges of both changes in environment and extreme temperatures by helping maintain the animal's normal body temperature. *Comes in 80 mL.*

### Vita Charge® Clench Gel

A gel for all species of livestock ideal for use during diarrhea and scours treatments to support recovery, hydration and nutrient absorption. *Comes in 30 mL.*

## TUBS

### Vita Charge® Stress Tub

A cooked tub for beef cattle that supports digestive health and promotes feed and water intake during times of stress and recovery. Now includes a heat tolerant probiotic to work synergistically with Amaferm to replenish and stimulate gut bacteria. Conveniently allows beef cattle to get their daily dose of Vita Charge without additional handling. *Comes in 50 lb. and 200 lb.*

### Vita Charge® Stress Tub HEAT®

A cooked tub for beef cattle that supports digestive health and promotes feed and water intake during times of stress and recovery. Now includes a heat tolerant probiotic to work synergistically with Amaferm to replenish and stimulate gut bacteria. Also contains HEAT to help prevent heat stress during temperatures of 70 degrees and above. *Comes in 50 lb.*

## DRENCH

### Vita Charge® Cattle Drench

A drench for cattle that supports digestive health and promotes feed and water intake during times of stress and recovery. Conveniently designed for processing large groups of ruminating cattle. *Comes in 5 liter.*

## LIQUID

### Vita Charge® Neonatal

A liquid supplement specially formulated for neonatal calves, lambs, kids and pigs that supports digestive health and promotes feed and water intake during times of stress and recovery. Can be mixed in drenches, milk or milk replacer. *Comes in 1 gallon.*

### Vita Charge® HydraBoost™

A unique, nutrient rich liquid supplement for commercial swine that increases water and feed intake and maintains gut immunity, thereby increasing overall health and rapidly restoring digestive balance. *Comes in 1 gallon concentrate to be mixed.*

### Vita Charge® Liquid Boost®

A liquid supplement for animals of all species that supports digestive health and promotes feed and water intake during times of stress and recovery. Can be administered via a medicator, mixed with water, used as a drench or top-dressed on feed. *Comes in 32 oz. and 2.5 gallon.*

All Vita Charge products contain the Amaferm® advantage. Amaferm is a precision-based prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance.
