Galvanized steel wheels. Wheels hinge to lower the fence to the ground. Stanchion head gate. Head gate also swings open for walk-through access (human and/or animal). Designed to hold large and small animals - lower pipes have 4" gaps. Standard Panels are 5'4" Tall. Optional Tall Panels are 6' Tall, Maxx Panels are 7' Tall.

ALL-PURPOSE CORRAL MODELS:

10-PANEL

5x10' panels per side, 10 panels total - 100 feet of perimeter fencing.

Makes a 34" diameter circle, 900 square foot round pen. 1400 lbs.

(approximate dimensions)

REGULAR HEIGHT PANELS (5'4")..... \$7,600.00

TALL PANELS (6')..... \$8,045.00

MAX PANELS (7')..... \$8,485.00

14-PANEL

7x10' panels per side, 14 panels total - 140 feet of perimeter fencing. Makes a 45'

diameter circle, 1600 square foot round pen. 1900 lbs. (approximate dimensions)

REGULAR HEIGHT PANELS (5'4")..... \$10,270.00

TALL PANELS (6')..... \$10,890.00

MAXX PANELS (7')..... \$11,510.00

20-PANEL

10x10' panels per side. 20 panels total - 200 feet of perimeter fencing. Makes a 64'

diameter circle, 3200 square foot round pen. 2600 lbs. (approximate dimensions)

REGULAR HEIGHT PANELS (5'4")..... \$14,275.00

TALL PANELS (6')..... \$15,160.00

MAXX PANELS (7')..... \$16,045.00

ADD ONS:

Bale Bed Adapter Bar - Load & transport the APC with a Bale Bed Pickup. \$210.00

APC Yoke Carrier - Torflex axles, fenders, and taillights..... \$3,865.00

Floor Plate - 10 ga steel plate with stiffeners and treads. When panels are folded

for transport, all wheels sit on the floor plate. This helps with loading

on a bale-bed and makes it easy to hook on and drag in the pasture.

When APC is used for catching a head in the stanchion, the floor plate

is under animal for greater control

(NARROW - UPTO 14 PANELS)..... \$540.00

(WIDE)..... \$645.00

FREIGHT..... \$1,200.00
